FCC Form 481 – Line 610

Description of Functionality in Emergency Situations

- 1) Fidelity maintains a Disaster Recovery manual, which has been filed with the Missouri Public Service Commission.
- 2) Fidelity has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations.
- 3) Specifically, each of Fidelity's host and remote switches are equipped with a battery backup system capable of powering the equipment for 8 hours with no outside power source. A backup generator capable of running for an extended number of days is also located at each switch. Our Fiber Optic node points are equipped with a battery system capable of powering the equipment for 4 hours with no outside power source. Each node point is equipped with a generator connection for powering the equipment with portable generator. Our network monitoring system notifies us of any power outages.

Fidelity has built redundant facilities between its exchanges and also back to its toll facilities which exit to the public switch telephone network. This redundant facility is in the form of SONET and Ethernet ring architecture. Fidelity takes no responsibility for the capabilities of interconnected networks to manage traffic spikes resulting from emergency situations, but will continue its best efforts for its own network during such events.

## Lifeline Household Worksheet

This Worksheet is not applicable for the Disabled Program.

*Only one Lifeline Program-supported service per household (either wireless or landline telephone, Broadband Internet, or a cell phone data plan) is allowed under Federal law.*

Your **household** is everyone who lives together at your address and contributes to, or shares in, the income and expenses of the household. Household expenses include food, health care expenses, and the cost of renting or paying a mortgage on your place of residence and utilities. Income includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings.

Answer the questions below to determine if there is more than one household living at your address, and if your household already receives a Lifeline Program benefit. Providing false information on this form may result in losing your Lifeline service and/or criminal penalties.

1. Does another adult (age 18 or emancipated minor) live with you **AND** have a Lifeline-discounted service or a "free" wireless Lifeline service? For example, husband, wife, domestic partner, parent, son, daughter, another relative (such as a sibling, aunt, cousin, grandparent, grandchild, etc.), a roommate, or another person.

\_\_\_\_\_ **No.** You are **ELIGIBLE** for Lifeline because no one in your household has Lifeline. Please **SIGN** below to certify that this is true and complete the rest of this form.

\_\_\_\_\_ **Yes.** Please answer question 2 below.

2. Do you share expenses for bills, food, or other living expenses **AND** share income (salary, public assistance benefits, social security payments or other income) with the person in question #1 that has a Lifeline-discounted service?

\_\_\_\_\_ **No.** You are **ELIGIBLE** for Lifeline because no one in your household has Lifeline. Please **SIGN** below to certify that this is true and complete the rest of this form.

\_\_\_\_\_ **Yes.**  Do **NOT** complete the rest of this form. You are **NOT ELIGIBLE** because someone in your household already has Lifeline.

I certify that the information provided above is true and that no one in my household already has Lifeline. I understand that violating the one-per-household requirement is against the Federal Communications Commission's rules and I may lose my Lifeline benefits, and may be prosecuted by the United States government for violating the rules.
